INFORMATICS INTERNATIONAL LIMITED

Privacy Policy

Your privacy matters to us. This document explains how we collect, use, and protect your information across all Informatics platforms.

Our Commitment to Your Privacy

At Informatics International Limited, one of our main priorities is the privacy of our visitors. This Privacy Policy document contains types of information that is collected and recorded by Informatics International Limited and how we use it.

If you have additional questions or require more information about our Privacy Policy, do not hesitate to contact us through email at privacy@informaticsint.com. This policy applies only to our online activities and is valid for visitors to our website with regards to the information that they shared and/or collected.

01 Consent

By using our website, you hereby consent to our Privacy Policy and agree to its terms and conditions.

02 Information We Collect

The personal information that you are asked to provide, and the reasons why you are asked to provide it, will be made clear to you at the point we ask you to provide your personal information.

Direct Contact Information — when you reach out to us

If you contact us directly, we may receive additional information about you such as your name, email address, phone number, the contents of the message and/or attachments you may send us, and any other information you may choose to provide.

Account Registration Data — when you create an account

When you register for an Account, we may ask for your contact information, including items such as name, company name, address, email address, and telephone number.

03 How We Use Your Information

We use the information we collect in various ways, including to:

- Provide, operate, and maintain our website and service catalog.
- Improve, personalize, and expand our digital products.
- Understand and analyze how you navigate our platform resources.
- Develop new products, services, features, and deep intelligence systems.
- Communicate with you directly or through partners, including for customer support.
- Send you security advisories, transactional updates, and promotional content.
- Find and prevent fraudulent activities on the platform.

04 Log Files

Informatics International Limited follows a standard procedure of using log files. These files log visitors when they visit websites. All hosting companies do this as a part of hosting services' analytics. The information collected by log files includes internet protocol (IP) addresses, browser type, Internet Service Provider (ISP), date and time stamp, referring/exit pages, and possibly the number of clicks.

> These are not linked to any information that is personally identifiable. The purpose of the information is for analyzing trends, administering the site, tracking users' movement on the website, and gathering demographic information.

05 Cookies and Web Beacons

Like any other website, Informatics International Limited uses 'cookies'. These cookies are used to store information including visitors' preferences, and the pages on the website that the visitor accessed or visited. The information is used to optimize the users' experience by customizing our web page content based on visitors' browser type and/or other information.

For more general information on cookies, please read our cookie policy on how to control browser data settings.

06 Advertising Partners Privacy Policies

You may consult this list to find the Privacy Policy for each of the advertising partners of Informatics International Limited.

Third-party ad servers or ad networks use technologies like cookies, JavaScript, or Web Beacons that are used in their respective advertisements and links that appear on our site, which are sent directly to users' browser. They automatically receive your IP address when this occurs.

07 Third-Party Privacy Policies

> Informatics International Limited's Privacy Policy does not apply to other advertisers or websites. Thus, we are advising you to consult the respective Privacy Policies of these third-party ad servers for more detailed information. It may include their practices and instructions about how to opt-out of certain options.

08 Your Privacy Rights

CCPA Privacy Rights — California Residents

Under the CCPA, among other rights, California consumers have the right to request that a business disclose the categories and specific pieces of personal data that a business has collected about consumers.

Request that a business delete any personal data about the consumer that a business has collected. Request that a business that sells a consumer's personal data, not sell the consumer's personal data.

GDPR Data Protection Rights — European Data Protection

We would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

The right to access - You have the right to request copies of your personal data. We may charge you a small fee for this service. The right to rectification - You have the right to request that we correct any information you believe is inaccurate. You also have the right to request that we complete the information

you believe is incomplete.

09 Children’s Information

Another part of our priority is adding protection for children while using the internet. We encourage parents and guardians to observe, participate in, and/or monitor and guide their online activity.

Important Notice

Informatics International Limited does not knowingly collect any Personal Identifiable Information from children under the age of 13. If you think that your child provided this kind of information on our website, we strongly encourage you to contact us immediately and we will do our best efforts to promptly remove such information from our records.
